Bahamas . . .

Close to the East Coast of the United States, the Bahamas are an excellent and a far more fun escape from the harsh winters of the north than, say, buying a new winter coat. The good time doesn't stop at fine, sugar-white sand and sun, however. Swim with dolphins and tropical fish in the turquoise waters, or soar above the sea in a parasail. Then explore the islands' thrilling history as a pirate haven and one-time "Privateer's Republic"—with Blackbeard himself as the magistrate. You don't have to say "aaaaaargh," we promise.

While Onboard Enjoy . . .

About the Enchantment of the Seas . . .

The magnificent *Enchantment of the Seas*, underwent an "extreme make over" in early 2005, fully refurbishing the entire ship with exciting new features. She was actually lengthened 150 feet during the refurbishment, adding two suspension bridges, an expanded Pool Deck and additional space for new cabins and other well planned areas for your enjoyment! More "Enchanting" than ever, the *Enchantment of the Seas* is now better than ever!
