**“Virginia’s Historic Garden Week Richmond Tour”**

Celebrate historic Garden Week in the beautiful Richmond homes in the Three Chopt and Westhampton neighborhoods. Seven homes and gardens are open for your viewing pleasure along “Three Notch’d Road” as it was called in Colonial times when it was a major east-west route across central Virginia often utilized by Thomas Jefferson and Cornwallis. This is your chance to view unforgettable gardens at the peak of springtime splendor as well as enjoy the exquisite homes and flower arrangements adorning those homes. A delightful luncheon is included at the elegant Country Club of Virginia for your culinary pleasure.
