**“Tangier Island Cruise”**

**\$115.00**

Step aboard the *Chesapeake Breeze* for a one and a half hour cruise to *Tangier Island*. During the journey, learn about historic Reedville, center of one of the largest fishing industries in the U.S. The *Breeze* often passes fishing boats working their nets or large ocean freighters traveling between Baltimore and Norfolk. Discovered by Captain John Smith in 1608, *Tangier Island* is a small, largely unspoiled, fishing village lined with quaint narrow streets. It's considered the “soft crab capital” of the nation. Its people still speak with a lingering Elizabethan accent. Enjoy a Crab Cake or (other) lunch at the *Chesapeake House*.
