**“Phantom” at the Riverside Theatre**

**\$99.00**

The *Riverside Center Dinner Theatre* presents . . . ***Phantom!*** The “*Phantom*” based on the Gaston Leroux’s novel *Phantom of the Opera*, is hailed by critics as eminently equal to its counterpart. Brought up in the catacombs of a Paris Opera House with music as his only sanity, the *Phantom* takes in an aspiring young street singer named Christine as his student. His only charge for her was never to look at his disfigured face. The *Phantom* falls in love with Christine and her beautiful voice, setting off a chain of events which leads him to arrange his own demise. Enjoy a delicious lunch before the show!
